While using Flip Image Professional to create multi-media embedded albums, you can add more decorations on image pages, such as different styles of frames and various kinds of cotton cliparts.

Flip Image Professional - Flipbuilder

Thank you for this information. I was able to successfully convert the radio button group `<input type="checkbox" />` to checkboxes using your code; however, even though the properties indicate they are checkboxes, they still act like radio buttons (i.e. when I check one and then another, the check in the first goes away).

Convert Radio Button Groups to Checkbox Groups in PDF
