For the win is the perfect summer read.I have enjoyed the writing of these two authors for years and this collaboration is pure magic.I was hooked from the beginning and for the win has got me ready and in the mood for this year's Olympic games.You'll fall in love with these well-developed characters and delve into a world of sport and suspense. I loved it and I'll be recommending for the win ...

For the Win reveals how a wide range of companies are successfully using game thinking. It also offers an explanation of when gamifying makes the most sense and a 6-step framework for using games for marketing, productivity enhancement, innovation, employee motivation, customer engagement, and more.
