Each gobbet answer should take about 7-8 minutes to answer. You will need to think quickly and clearly, and then write concisely and accurately. You will not have much time, so make sure that every word counts! Answers can and do vary in length quite considerably. Some people obviously write much faster than others. But as a general rule: if your answer is only 4 or 5 lines long, it is likely ...

Criteria For Marking Gobbet Questions. In general the criteria used for evaluating essays also apply to the marking of gobbet questions (i.e. commentary questions on short passages of text or images). It is particularly important that gobbet answers should be relevant to the passage or image set for discussion, not a general, all-purpose essay on a related subject.
