The history of tea is long and complex, spreading across multiple cultures over the span of thousands of years. Tea likely originated in the Yunnan region during the Shang dynasty as a medicinal drink. An early credible record of tea drinking dates to the 3rd century AD, in a medical text written by Hua Tuo. Tea was first introduced to ...

Energy security, economic growth and environment protection are the national energy policy drivers of any country of the world. As world populations grow, many faster than the average 2%, the need for more and more energy is exacerbated . Enhanced lifestyle and energy demand rise together and the wealthy industrialised economics, which contain ...
