the social cure identity pdf

The present paper adopts a social identity perspective to examine the relationship between community-based identification and well-being, resilience and willingness to pay back in the context of urban regeneration.

Heath_et_al-2017-European_Journal_of_Social_Psychology.pdf

Although nearly two decades of research have provided support for the social identity approach to leadership, most previous work has focused on leaders' identity prototypicality while neglecting the assessment of other equally important dimensions of social identity management.

Leadership as social identity management: Introducing the

The laden phrase "identity politics" has come to signify a wide range of political activity and theorizing founded in the shared experiences of injustice of members of certain social groups.

Identity Politics (Stanford Encyclopedia of Philosophy)

Gender identity is the personal sense of one's own gender. Gender identity can correlate with assigned sex at birth or can differ from it. All societies have a set of gender categories that can serve as the basis of the formation of a person's social identity in relation to other members of society.
