Upholding Democracy: The United States Military Campaign

United States, with some backing from Australia, Canada, and a few international bodies and initiatives. The notion of democracy support sits uneasily alongside the stress that non-Western

Upholding Democracy in a Post-Western Order

upholding democracy and helping to prevent and resolve situations that could endanger national stability or deteriorate into violence. When playing a mediator or facilitator role, the Commonwealth's key principle is that it must enjoy the trust of all protagonists as an impartial and objective arbiter that has no "agenda" of its own. Upholding democracy through electoral observation ...
