What was life like in medieval London? London changed a lot during the medieval period. From the 600s to 800s London was located in the west, where Covent Garden is today. At the end of the 800s people moved back into the old Roman town due to increased Viking raids. The old town had the remains of a wall around it and people felt safer there. At this time London's population was about 8,000 ...
