In the United Kingdom, the General Certificate of Secondary Education (GCSE) is an academic qualification, generally taken in a number of subjects by pupils in secondary education in England, Wales and Northern Ireland.

General Certificate of Secondary Education - Wikipedia

The non-rival nature of consumption provides a strong case for the government rather than the market to provide and pay for public goods. Many public goods are provided more or less free at the point of use and then paid for out of general taxation or another general form of charge such as a licence fee.
